I Am Trenton Community Foundation
Grant Application 2011

Organizational Overview. Provide a brief organizational overview (e.g., mission, vision, leadership structure, date of incorporation, programmatic experience as it pertains to the proposed project and/or program, etc.).

Project Description. Provide a detailed description of the program or activity for which you are requesting funding. Make clear what tasks are to be done by whom, and where and how they will be carried out.

Project Goals. State goals of your program clearly, including number of persons proposed to be served during the coming year. Describe how you will meet your goals. Set down clear dates of completion and describe internal measures that you will use to ensure goals are met.
